**The annual fee for the corporate membership is \$4,000 and is payable with your membership application. Your membership will be good for 12 calendar months starting with annual fee payment.**

Reems Creek Golf Club is open to the public and they share the same access to the course as the membership. Members can reserve tee times 30 days in advance. We do close the course occasionally to group outings and tournaments which would not allow members to play. Members will be notified by newsletter the dates these events are scheduled and what times are available to the them.

These memberships will be governed by the same rules and regulations as our other memberships. Membership in Reems Creek Golf Club does not confer any right to participate in its management or operation; nor does it convey any ownership interest in the course, clubhouse or any other amenities. All membership rules and regulations are subject to change at any time in the sole discretion of Kenmure Enterprises, Inc.

Your signature will signify that you have read the rules and regulations and the other requirements of your membership and that you understand them and will abide by them. All memberships are subject to approval by the membership committee.
