## ***Annual Social Memberships at Reems Creek Golf Club***

---

Thank you for considering a Social Membership for Reems Creek Golf Club. As a social member, you will enjoy events such as barbecues, game nights, various classes such as art and yoga as well as music nights, holiday events and celebrations. You and your family will have an opportunity to engage with other residents and make this feel like a real community again.

While some events will have a nominal fee, your membership will ensure access to member only events for you, your family and accompanied guests. The pool is also part of this membership and will only be available to social members. Many have asked what the plans are for the pool. New pool seating and umbrellas, landscaping and refreshing are in the works.

### Membership Categories

- Family membership - \$1,000
- If you are a single member of the golf course, your social membership will be an additional \$200

No, we intend to keep it semi-private - open to the public - but hosting certain events that are only open to members.

Q 2. Are golf members also social members?

Yes, however their membership does not include the pool. To add the pool if you have a single golf membership is \$200. If you have a family golf membership it is \$400. If you are a single golf member and wish to have your family members enjoy social benefits, you can upgrade your membership for an additional \$400 family social membership

Q 3. Can I get a pool-only membership?

No, only social members will have access to the pool.

Q 4. Will the public be able to walk on the golf course?

No, only social and golf members will be able to access the golf course for walking, running, bringing along furry friends and this will be during certain hours. You will have a membership card to show you have a membership and access the course.

Q 5. What hours will I be able to access the course for walking?

We are looking at access to the back nine from sunrise until 9am & the front nine after 6pm. This will enable you to access the course without the risk of being hit by a golf ball.

Non-golfers will be able to rent a cart for a nominal fee after the course closes each day so they may enjoy the nature and vistas of the course.

Q 7. Can I bring extended family and guests to the pool and social events?

Yes, you can bring accompanied visiting family and guests.

We anticipate monthly events for social members. We have already planned an opening day member recognition, a Yappy Hour, 4<sup>th</sup> of July weekend golf scramble and social event and more.
